Art Unit: 2857

1. A request for continued examination under 37 CFR 1.114, including the fee set forth in 37 CFR 1.17(e), was filed in this application after final rejection. Since this application is eligible for continued examination under 37 CFR 1.114, and the fee set forth in 37 CFR 1.17(e) has been timely paid, the finality of the previous Office action has been withdrawn pursuant to 37 CFR 1.114. Applicant's submission filed on 8-31-06 has been entered.

2. This application is in condition for allowance except for the following formal matters:

a) The listing of claims in the amendment filed 8-31-06 is improper under 37 C.F.R. 1.121 for the following reasons:

1) ***Claim 39 was omitted.***

2) Claims 27 and 49 have the status identifier "(Previously Presented)" however as these claims contain amendment markings the correct status identifier is "(Currently amended)".

3) In the listing of cancelled claims 38 and 40, parentheses are missing around the status identifier "Cancelled".

Appropriate correction is required.

b) Election was made without traverse of species I in the reply filed 11-8-04 however withdrawn claims 30, 32-34, 43, 44, 46 and 47 have not been cancelled.

Appropriate correction is required.

c) Claim 31 is objected to under 37 C.F.R. 1.75(a) for failing to particularly point out and distinctly claim the subject matter which the applicant regards as the

Art Unit: 2857

invention. The preamble of claim 31 states "The sub-measurement board defined in Claim 42..." however claim 42 is a system claim and thus this should be "The system defined in claim 42...". Claim 31, lines 1-2, cite "the voltage amplifying circuit" which lacks antecedent basis. The examiner asks the applicant to better claim the limitations cited above. While the examiner understands the intentions of the applicant he feels confusion could be drawn from the limitations cited above. Appropriate correction is required.

Prosecution on the merits is closed in accordance with the practice under *Ex parte Quayle*, 1935 C.D. 11, 453 O.G. 213.

A shortened statutory period for reply to this action is set to expire **TWO MONTHS** from the mailing date of this letter.

3. Any inquiry concerning this communication or earlier communications from the examiner should be directed to Hal D. Wachsman whose telephone number is 571-272-2225. The examiner can normally be reached on Monday to Friday 7:00 A.M. to 4:30 P.M..
